Commissioner for Patents
Washington, D.C. 20231

Sir:

On January 4, 2001, Applicants submitted an Information Disclosure Statement Under 37 C.F.R. §§ 1.97 and 1.98 with a copy of a Communication from a Foreign Patent Office, references and PTO Form 1449. One copy of the IDS and PTO-1449 is attached hereto.

It has now been learned that the Search Report was issued in a UK application that does not correspond with the above-identified U.S. application. It is therefore requested that the Examiner disregard the IDS filed on January 4, 2001 and either destroy the IDS and attachments related thereto or return it to the undersigned.

Respectfully submitted,
